PROFESSIONAL EXPERIENCE

Head of Marketing

BeonPixel | Netherlands (Remote) *Jan 2025 – Present*

- Lead the marketing function end-to-end — brand, content, channel mix, and team execution — reporting KPIs directly to the CEO.
- Built and rolled out the brand system: positioning, visual identity guidelines, and content standards across all marketing touchpoints.
- Manage marketing team execution across content, design, and social — including task ownership, quality control, and capability development.

Marketing Lead

OpenProdkt | United States (Remote) *Jan 2025 – Present*

Early-stage B2B SaaS — governance and validation layer for enterprise AI workflows.

- Own end-to-end marketing strategy, reporting pipeline metrics and growth performance directly to the CEO on a weekly cadence.
- Built and maintain the marketing performance dashboard — tracking pipeline, channel attribution, conversion metrics, and content ROI.
- Grew LinkedIn organic impressions by 50.8% and engagement by 88.9% quarter-over-quarter with zero paid spend, driving inbound awareness at the enterprise level.
- Established the site's SEO foundation from launch — achieved first-page average rankings (position 9.6) with 7.9% CTR within 6 months.
- Produce sales-enablement assets — presentations, whitepapers, case studies — and enforce brand guidelines across all external communications.

Digital Marketing & People Management Lead

Nextscrum | Lahore, Pakistan *Sep 2023 – Present*

Software services company serving international B2B clients.

- Lead full-stack digital marketing with a focus on organic channels — SEO, content marketing, LinkedIn organic, and inbound lead generation — supporting international client acquisition.
- Built and maintain a LinkedIn company audience of 11,000+ organic followers, positioning Nextscrum as a credible software services partner internationally.
- Build SEO-optimized content programs (blogs, case studies, landing pages) to improve organic search visibility and reduce reliance on paid acquisition.

- Manage the marketing analytics stack — GA4, Search Console, Power BI — and own the sales pipeline in HubSpot CRM.
- Support HR operations — recruitment, onboarding, and employee engagement — alongside marketing responsibilities.

Sales & Marketing — Nutrition Division

Nestlé Pakistan | Head Office, Lahore *Apr 2022 – Sep 2023*

- Worked with the Medical Sales Force Team in the Nutrition Department within a Fortune 500 FMCG environment, specializing in infant nutrition.
- Processed and engaged 2,000+ healthcare professional leads per month, maintaining consistent response quality and relationship continuity across the territory.
- Supported sales forecasting, demand planning, and delivered product training on portfolio knowledge, compliance, and market trends.

Finance Intern

MuneerTech | Calgary, Canada (Remote) *Aug 2019 – Feb 2022*

- Reconciled accounts, reviewed financial statements, and supported budgeting, forecasting, and financial reporting.
- Coordinated with external auditors on balance sheet resolution and consolidated project-level cost estimates.
